

## ABOUT US

**VENERGY GROUP, LLC** is a distinguished Service-Disabled Veteran Owned Small Business (**SDVOSB**) specializing in comprehensive metering solutions. With an exclusive **Veterans Affairs nationwide metering contract** to support their Advanced Utility Meter System (AUMS) network across the country, Venergy has established itself as a leader in the industry. **Since 2009**, we have been providing professional **design-build, energy conservation/sustainability, general construction, and construction management** services throughout Florida and around the world. Customers include the Federal Government, universities, healthcare, and local governments. We have delivered world class projects that included the design, construction, and renovations of numerous VA facilities in **Guam, Hawaii, Puerto Rico, and 42 other states.**
