

GENERAL CONTRACTING

Venergy works directly with the client to provide material, labor, equipment, and services necessary for the project. From start to finish several steps are taken, based on the stage of construction, to ensure the highest level of attention to detail, customer service, safety, and mission completeness are achieved.

Venergy has been involved in a wide range of general construction applications from tile work, gas collection installation, fire restoration, mechanical, electrical and control systems.

REAL ESTATE

Venergy recognizes the need for seamless, turn-key real estate solutions to deliver customized spaces in the most cost effective and timely manner.

Venergy's design-build and construction management team combined with our in-house janitorial and property management team make the entire real estate process through the entire lease term seamless with a single point of accountability

Real Estate Solutions

THE DESIGNER AND BUILDER OF YOUR IDEAS

PERFORMANCE

Venergy delivered a BUILDING LEASE DESIGN/BUILD TO SUIT at the Brunswick GA VA Clinic. Venergy owns the building and has provided a full-service lease for 10 years firm with options to extend. Design-build services were provided for the site including shell and tenant improvements to meet the VA's requirements for a full-service community-based outpatient clinic. During the challenging pandemic, Venergy provided customized design, construction, and development services with less than one year from Notice to Proceed to Certificate of Occupancy.

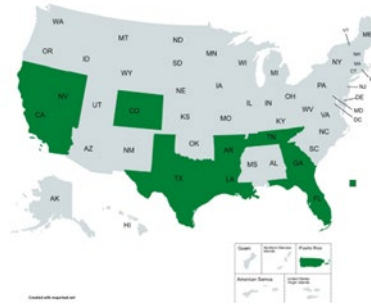

- LOCATION: Brunswick, GA
- CLIENT: Veterans Affairs
- TOTAL PROJECT VALUE: \$4,796,839
- TOTAL PROJECT SIZE: 13,440 SF

Corey Clive – CEO

Mr. Clive founded Venergy Group, LLC in 2009, drawing on his extensive background in environmental and energy efficiency from leading firms. An advocate for veterans and small businesses, Corey's leadership recently earned Venergy recognition from the Department of Energy as a qualified Energy Savings Company. By integrating our capabilities, Venergy delivers comprehensive, turnkey real estate solutions.

Ken Turner – VP

Mr. Turner is a navy submariner veteran bringing direct experience after years serving as chief engineer of the Tampa VA. Ken has technical proficiency and understands the government's federal/city/local real estate regulation requirements.

DIVERSE EXPERTISE

Our staff includes licensed electricians, contractors, and engineers who can self-perform various trades. This range gives us the ability to best serve any project scope.
